Lesson 1
The Gospel of Mark
Daily iStudy Questions

Study Procedure: Read the Scripture references before answering questions. Unless otherwise instructed, use only the Bible when answering questions. Some questions are more difficult than others but try to answer as many as you can. Pray for God's wisdom as you study and don't be discouraged if some answers are not obvious at first.

FIRST DAY: John Prepares the Way (Mark 1:1- 8)

1. Mark explains the main purpose of his book in his very first sentence. What is it?

   To tell the people of the Good News about Jesus the Messiah.

2. According to verse 2, when was this "good news" first announced, who told of it, and what does this mean to you?

   It was first announced in the Old Testament, during the time of the prophet Isaiah. For me, this means that God is true to His promises.

3. How did John prepare the way for Jesus?

Once you've done answering the questions for the day, click on **File** > **Save As...** (refer to image on the left)

A dialogue box will appear asking you where to save and the file name of the file (refer to image below).
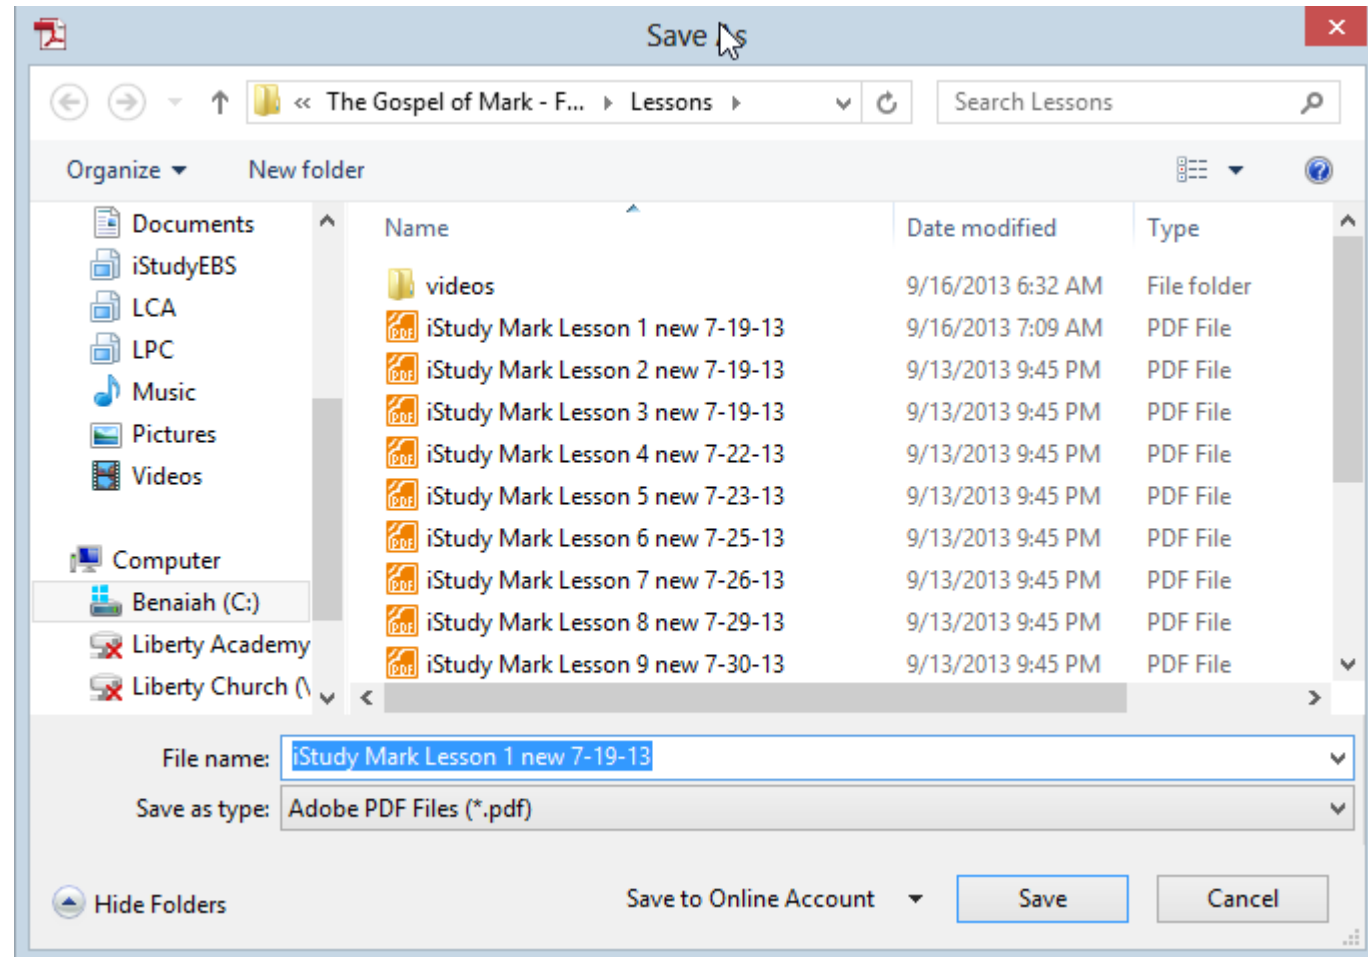

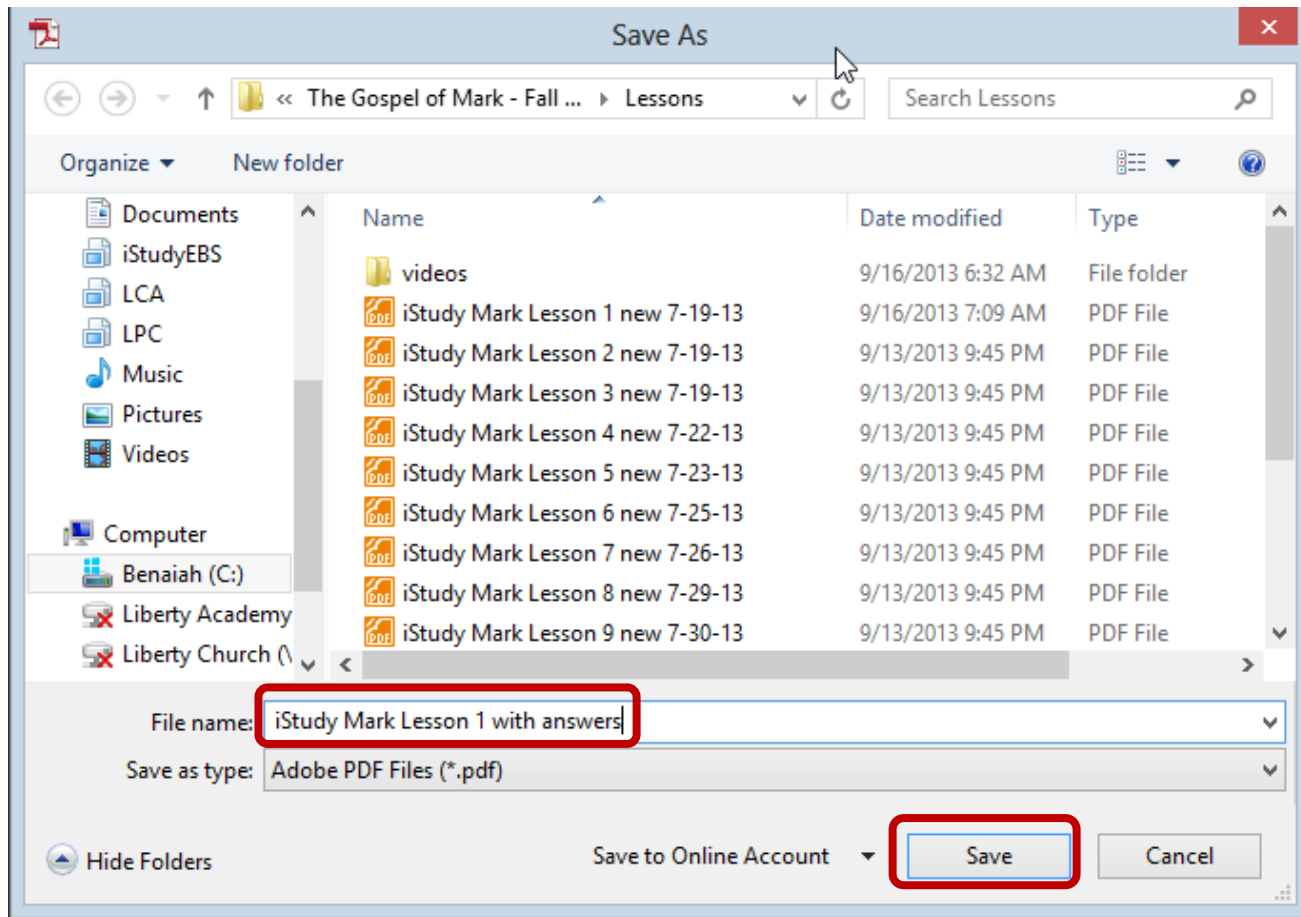

Navigate to the folder where you want to save your file.. It is preferable to use a file name that is descriptive so you know which file you have answers. Click on Save once your finished.

You can check the location of the file where you saved it and you can also open it later to finish answering your lessons.
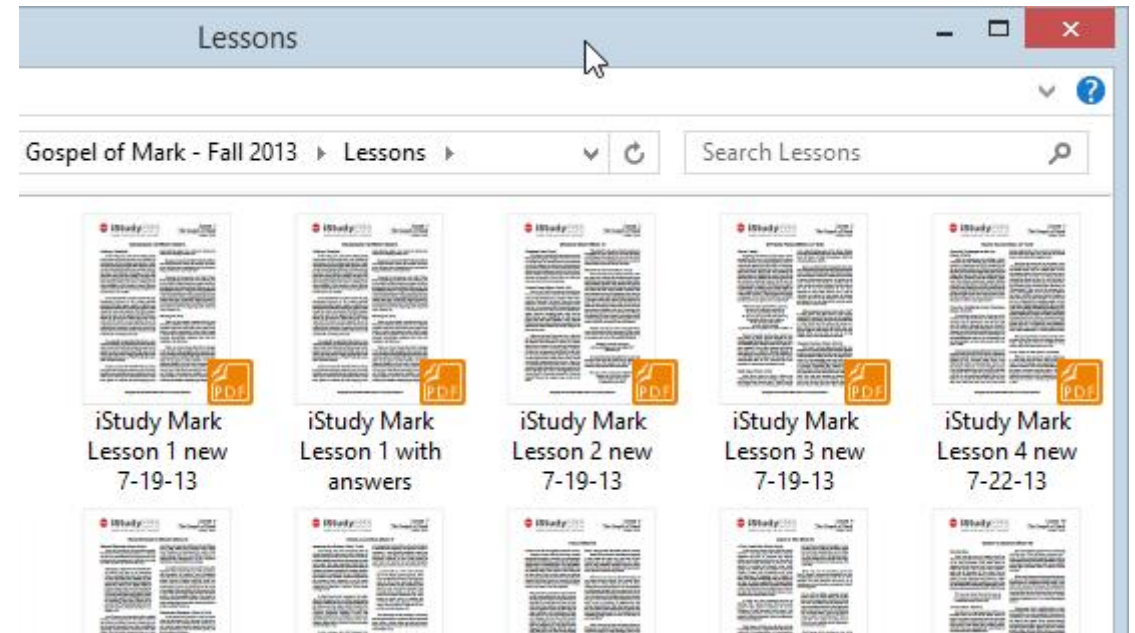

Once you are ready to answer more, open up the file you just saved. You will see that your answers are saved in your PDF.

   Just for reference, this is a new answer...

4. People left their comfortable surroundings to hear John preach in a remote wilderness. We spend so much time and money on our churches to make them accessible and comfortable.
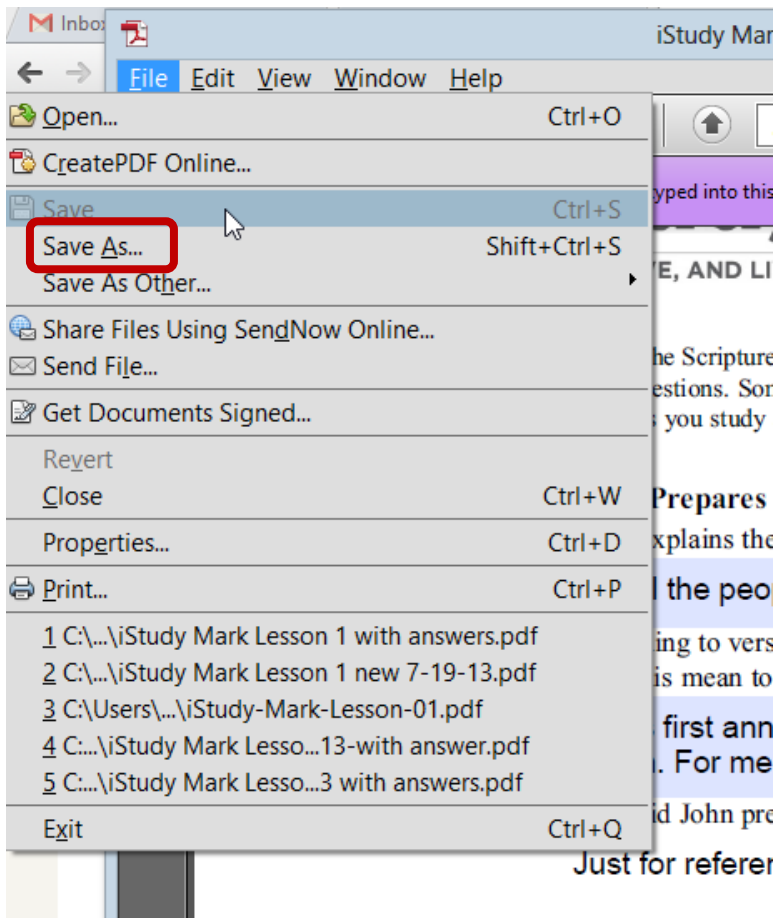

Once you're done, you can again save your work by clicking **File > Save As…**

A dialogue box will again appear asking you for a new file name and location. Now, to save you from having too many files, just over write your previous file by just clicking Save and then click Yes on the Confirm save as overwrite pop up warning.
